Sir:

The above-identified application became abandoned for failure to timely file the U.S. national phase entry application which was due on December 5, 2005.

The entire delay in filing the national phase entry from the due date until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

The national phase filing and all relevant documents is enclosed herewith.

Please charge my Deposit Account no: 192253 in the amount of \$750.00 for the Petition fee required under 37 C.F.R. § 1.17(m). The Commissioner is authorized to charge any deficiency, or credit any overpayment, to the same deposit account number.
